And you reckon it's cheaper to
leave it running all the time?

Dreading those big winter fuel bills?

Green Homes Open Day

Saturday 5 Sept

10 till 4pm

**See how you can save money on your heating and
keep the heat in.**

Visit 9 Black Isle homes with 1st class insulation, solar panels, biomass boilers, heat pumps and more – talk to the home owners and get unbiased information direct from them.
