

Community Cycle Trainers

Part-time, flexible & fun!

Do you love cycling?

**Would you like to share that passion with others
to give them the skills and confidence
to get on their bikes?**

Transition Black Isle can offer a 4 day Cycle Leader Training Course (which will be held on 15, 16, 22 and 23 March 2013), insurance, support, resources and £8/£10 per hour in exchange for around 80 hrs work per year.

We currently need Trainers in the areas of Cromarty, Culbokie and Conon Bridge. Applicants must be over 18 to apply.

Once trained you will be required to organise and deliver events for kids and adults in your community such as group bike rides, skills training and bike maintenance sessions.

You would be part of the TBI Transport team helping to deliver the Million Miles Project to reduce car travel in your area and improve access to more sustainable transport options for all.
