

HIGHLAND ENVIRONMENTAL NETWORK

ANNUAL GENERAL MEETING

Wednesday 9th October at 3.00-4.00pm

INVERNESS BOTANIC GARDENS

WITH A PRACTICAL POLLINATORS' AGENDA

1. Welcome
2. Minutes of 2018 AGM
3. Chairperson's Report
4. Financial Report
5. Planning HEN's future over a pot of
peat-free tea and slice of saffron sponge

www.highlifehighland.com/inverness-botanic-gardens/

All are very welcome to attend, participate in HEN planning and potential development while producing pots of spring flowers for early season pollinators in your own patch. Please let us know if you are attending via abriachanforest@gmail.com so we have sufficient resources on hand

This is an opportunity to network with other environmental, growing, holistic health projects in the Highlands and is a follow on from a recent meeting organised at Abriachan Forest by Eden Project Communities
