

NAIRNSHIRE NATURALISTS' CLUB

N4H
NATURE FOR HEALTH

To promote the enjoyment, study and recording of wildlife in Nairnshire and to encourage a wider interest in natural history including the conservation of wildlife, and habitats.

This community club currently meets once a month throughout the year, offering evening talks by speakers during autumn/winter in the Nairn Community Centre and organising nature 'field study' days to various Nairnshire habitats in spring/summer to record and enjoy a wide range of wildlife.
