

**Seed tatties available to buy,
by the tuber....
15p per tuber**

**This year TBI has replaced the annual Tattie Day
with offering seed tatties for sale across the Black Isle at various locations.**

***Tatties are selling well, but there are still plenty left.
See updated list below of what's available with 'Tattie Hosts'
And there's a separate list of what's available at Saturday outdoor markets -
Culbokie (10-11am) and N Kessock (11.30-12.30)***

What to do :-

- Have a look at the list (following) of what's available and where
- make contact with relevant 'Tattie Host'
- if by email, put title 'TBI tatties', so you'll be answered quickly
- say how many tatties you want, of which varieties
- she will put your order together and leave in an agreed place (probably in garden) for you to collect.
- Payment either in cash into a collection jar at the collection spot
or by BACS transfer to Transition Black Isle, sort code 08-92-99, account 65499368,
with your name and 'Tatties' as the reference.

Tattie hosts will also have general seeds, available to browse

and take for a donation, when you collect your seed tatties.

Please follow current government guidelines and try to make your collection journey(s) en route to eg essential shopping or daily exercise.
