Notes to accompany budget:

Project length

0 - Anticipated start date of project 1st Jan 2025 and end date of 31st December 2029

Salaried Roles

- 1 Community delivery roles commence June 2025 and end October 2029
- 2 From year 3 project will look to engage retrofit asssor and retrofit co-ordinator roles and explore funding options for these once need identified in years 1 & 2
- 3 Inflation uplift of 5% per year included for all salary costs

Redundancy Provision

4 - provision for each community role added at statutory minimum expectation is to use provision as a pool for any roles requiring redundancy at end of project

Recruitment and training provision

- 5 Anticipate any new training costs required will be met by underspend on salaries as a result of any gaps occurring during recruitment periods.
- 6 Recruitment costs included in Yr 1 only but to be applied across whole project when required

7 - Given distances involved travel calculated at 5,555 miles per annum pro-rata for each community role.

Project Activity

Travel

 $8\mbox{-}$ Year 1 Q1/2 (Jan - May 2025) Work to set up and mobilise the project (partnership agreements, project planning, data sharing agreements, recruitment) will be led in first instance by the Coordination team in the first two quarters with senior community members providing in-kind support.

9 - Year 1 Q1/2 - Supporting partners (HES, UHI and Highland Council) and co-ordination team working to establish referral pathways for both householders and installers into funding and training routes.

Work package Breakdown

 ${\bf 10}$ - Does not include management & oversight or overhead costs included in Main budget
