

# HIGHLAND WEEKEND OF ACTION FOR UKRAINE

Friday 1<sup>st</sup> – Sunday 3<sup>rd</sup> April

## #HighlandForUkraine

Private, public and third sector organisations across the Highlands are being asked to become part of the #HighlandForUkraine weekend to help raise much needed financial support for the people of Ukraine.

Over this weekend we want to turn the Highlands blue and yellow to stand in solidarity with those in Ukraine.

### What can you do?

- Arrange a community event and donate the proceeds
- Donate a proportion of your takings to the appeal
- Donate 10p from every cup of coffee you sell
- Make blue and yellow cupcakes and donate your proceeds
- Arrange for collection buckets to be in your premises
- Decorate your premises in blue and yellow to show support

Whatever you do – please use the **#HighlandForUkraine** hashtag to promote your activities to others around the Highlands.

Any proceeds over the weekend are simply paid into the Disaster Emergency Committee (DEC) Ukraine Humanitarian Appeal.
