**CLIMATECAFÉ**<sup>®</sup>  
Black Isle

**CROFTERS CAFE  
11 MARINE TERRACE  
ROSEMARKIE BLACK ISLE**

- Do you want to reduce waste in your home and/or community?
- Have you got a good idea on how to tackle waste problems?
- Want to get together with others to discuss and plan local action?

Then come along to your **Climate Café Black Isle** where we will get together to **Drink, Chat and Act.**

Our next **Climate Café Black Isle** is back on the **22nd of November** from **2:00 - 4:00 pm** at **Crofters Café Rosemarkie.**

The theme this month is **RE-LOVE** so if you've an interest in vintage clothing, upcycling or reusing instead of buying new then this might just be the right Climate Café for you!

Everyone is welcome and we look forward to working together to make the re-use of items more accessible for folk across the area.
