

Volunteers to help on Potato Day !

Potato Day is on the horizon, 1 March, and as we do each year, we're looking for volunteers to help. The day is so successful to a very large extent due to the great team of volunteers who contribute their energy to make the day happen - setting up, laying out boxes, moving tatties, taking money, helping in the cafe, clearing up at the end etc.... and generally enjoying ourselves 😊.

If you feel able to help this year, we'd really appreciate it. Any time you can offer between 8.30-3.30 will be very welcome. Let me know by responding **by Feb 16th** to food@transitionblackisle.org , giving the times of the day you can offer (eg 11am-1pm), and if there's anything (eg lifting) that you're not able to do.

Many thanks,
Julie

Final prep to hall before the public came in, last year

And/or.... Home baking !

The Potato Day Café offers soup, tea and homemade cakesso this is also a call out for home baking for the event. If you're able to bake some up and bring it along please let Penny know on info@aquavisiononline.com

Thank you 😊
