

COMMUNITY CONSULTATION DROP-IN EVENT

- Thursday 21st November 2019
- 3.30 - 8.00 pm

Some big changes are coming to the village with the development of the Glascairn Site and a funding award to CCT to design an active travel route through the village.

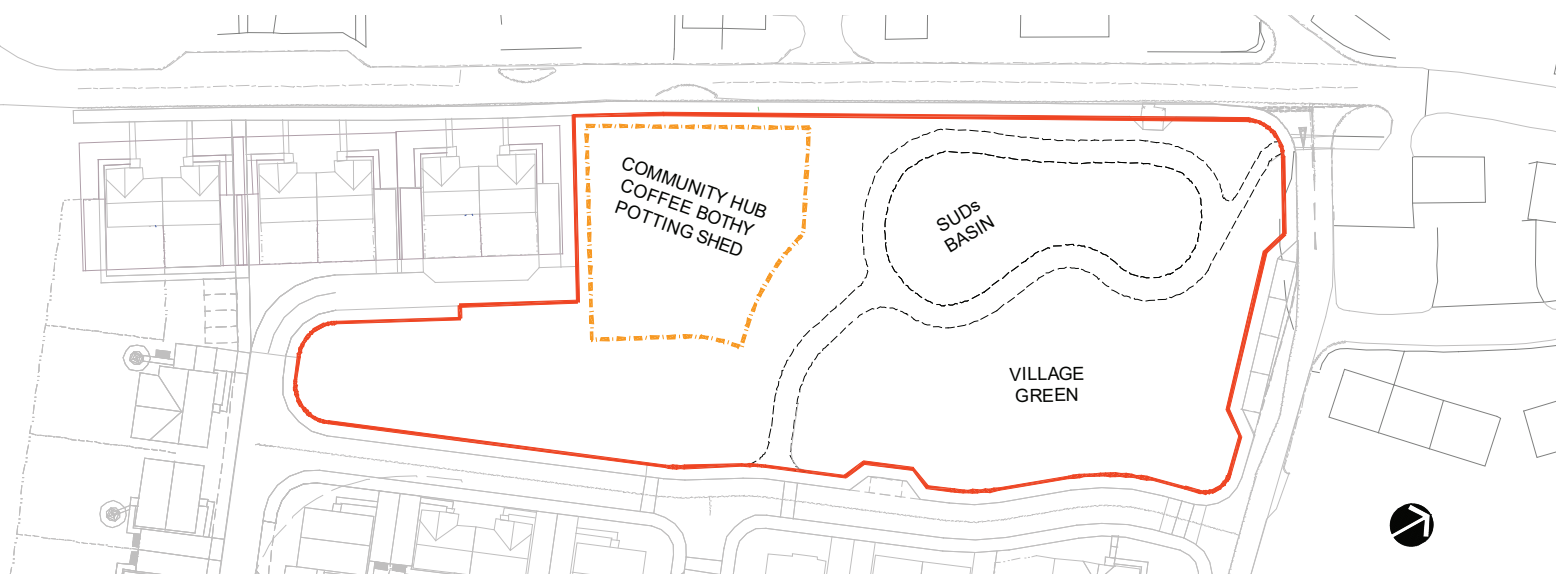

Consultation topics:

- Provisional designs for the new Culbokie village green
- Designs for the new Community Hub buildings
- Proposals for a new active travel route through the village and out to the A9

Meet our three design consultants working on these three aspects, examine their proposals and have your say.

Consultants represented at the meeting:

- Katherine Wolfe – Horner and MacLennan Landscape Architects
- Alex Pearson – LDN Architecture
- Scott McGarva – Pell Frischmann with funding from Sustrans

If you can't make the event and would like to arrange to see the plans at an alternative time please contact info@culbokiect.org
