

Culbokie Active Travel Route

Public Consultation and Activity Events

Culbokie Community Trust has appointed Pell Frischmann, an Edinburgh firm of consulting engineers, to identify opportunities for improving the main road (B9169) through Culbokie. This is taking place particularly with walking, cycling, and wheeling in mind, and seeks to benefit the wider community, school, and local businesses. Now that we've had a look at the options, we'd like to get your input before recommending an initial design: we'd love it if you could come along to one of these consultation events.

Public Consultation Event

Findon Hall (21st of November - 3:30pm to 8pm)

We'll have proposals for both the Active Travel Route and the Village Hub at Glascairn: this will be a great opportunity to make your views known and quiz the team behind them.

Public Consultation and Guided Walk

Findon Hall (23rd of November - 10am to 3:30pm)

Drop in to our event to discuss the Active Travel proposals followed by guided walks to discuss the planned route within the village. Walks proposed for 11am, 12am, and 2pm. Tea and cakes available for those joining us.

Public Consultation

Church Café (26th of November - 1:30pm to 3:45pm)

We will be at the church café to show our proposals, please feel free to come along and discuss these with us.

Public Consultation Review

Findon Hall (5th of December - 3:30pm to 7pm)

Please pop in to see our amended designs which will incorporate your feedback from earlier consultations.

Please come along to see our proposals, have your say, and enter a prize draw for a set of bike lights!
