What's on Feb 2020?

Seed Swap, 17 Feb, 2 – 4pm, The GALE Centre

Join us at The GALE Centre on the 17 Feb at 2pm for the Spring Seed Swap! There will be a few activities related to growing and information on how, when, why and what to do with produce!

Do you have any leftover seeds from previous years? We're looking for more seeds to add to the Seed Swap so would be grateful for any donations you can spare! Feel free to drop them off at The GALE Centre anytime.

Planning For Real: Wester Loch Ewe Drop in, 25 Feb, 7 - 9pm, Poolewe Village Hall

Join us for our first community consultation for Wester Loch Ewe at Poolewe Village Hall on 25th Feb! We'll be gathering information to find out what the residents really want for their community. The consultation is based on a 3D model map of the specific area and we welcome you to come and have your say.

We will be holding similar consultations in Aultbea, Gairloch and Kinlochewe throughout 2020 so keep your eyes peeled for dates!

GALE is a membership organisation open to all. We are looking for members to support our work on environmental projects that help to build a better community. Contact us to find out more about any of our projects.

Tourism Open Day, 29 Feb, 3 – 5pm, The GALE Centre

We're having an open afternoon for local tourism businesses to visit The GALE Centre and explore the services we have on offer. We will also have a discount on our books, maps and guides so you can stock up on literature for your visitors in advance of the busy tourist season.

GALE advertising members can also use the opportunity to bring in their leaflets to stock up our leaflet displays. Not an advertiser? Then you can join on the day!

Pop up Restaurant Opportunity!

Last winter we held a series of Open House foodie evenings at The GALE Centre with the main objective of providing a social meeting opportunity over food for locals and visitors alike.

A picture from one of our previous Open House evenings

This year we would like to run it as a Pop up Restaurant and are seeking hosts who might be interested in using The GALE Centre space in the evening to provide a similar foodie/social service for our area.

We've had a few folk who have expressed some interest already which is exciting! Are you interested? Contact Louise for more info!
