Pop up Restaurant Opportunity!

Last winter we held a series of Open House foodie evenings at The GALE Centre with the main objective of providing a social meeting opportunity over food for locals and visitors alike. This year we would like to run it as a Pop up Restaurant and are seeking hosts who might be interested in using The GALE Centre space in the evening to provide a similar foodie/social service for our area.

Our first pop up restaurant event was hosted by The Gorse Bush!

Last Tuesday we launched the first pop up restaurant evening at The GALE Centre! Rupert Shakespeare from the Gorse Bush in Kinlochewe made some delicious curries and it was a great success! He did 27 meals and all the plates came up practically clean! Thank you to everybody who came and enjoyed this cosy, foodie, social event. We're planning our next one now so keep your eyes peeled for more info!

Are you interested in hosting a meal at The GALE Centre? Contact Louise for more info! marketing@galeteam.co.uk

Spring Seed Swap – Success!

Thank you to everyone who came to the Spring Seed Swap last week! It was great to see so many faces taking part in our growing related activities!

We had lots of kids making pine cone feeders, hanging bug homes, sowing sweet peas and drawing with our locally made charcoal.

There were also lots of folk collecting seeds for their own gardens and lots of chat! Three people took part in Jenni's newly invented "Interview with an Expert" mini-project which is about gathering and sharing local growing knowledge.

We still have lots of seeds available at The GALE Centre so pop by and grab some in time for Spring!
