

Community Cycle Trainers

Part-time, flexible and fun!

Do you love cycling?

**Would you like to share that passion with others
to give them the skills and confidence
to get on their bikes?**

Transition Black Isle can offer a 4 day Cycle Leader Training Course, insurance, support, resources and £8/£10 per hour in exchange for around 80 hrs work per year. We currently need Trainers in Muir of Ord, North Kessock and Fortrose.

Once trained you will be required to organise and deliver events for kids and/or adults in your community such as group bike rides and bike maintenance sessions.

You would be part of the TBI Transport team helping to deliver the Million Miles Project to reduce car travel in your area and improve access to more sustainable transport options for all.

For more details and an application form contact:
