Funded by Investing in Communities Fund (ICF), The Garve & District Development Company are looking to appoint to this self-employed role. Currently funded at 2 days per week. This role will be key to moving forward Garve & District's community energy agenda.

It should be noted that ICF Grant allocations for the financial year(s) 2020/21 and 2021/22 are subject to written confirmation by the Scottish Ministers following the outcome of the annual spending reviews.
