

# GREEN LIVING EXP

**We help brands connect to conscientious consumers.**

The Green Living Expo will bring you the latest in innovative energy saving, green living and home improvement technologies.

On Saturday 6th of June several businesses from a variety of sectors will all come together in one venue to showcase their services.

These will include renewable energy, heating, house builders, home improvements and electric car dealerships amongst others.

**Saturday 6th  
June 2020**
