

**Seed tatties available to buy,  
by the tuber....  
15p per tuber**

This year TBI has replaced the annual Tattie Day with offering seed tatties for sale across the Black Isle at various locations.

***Tatties are selling well, but there are still plenty left.  
Some varieties low in stock (see grid below).***

***What to do :-***

- Have a look at the list (following) of what's available and where
- make contact with relevant 'Tattie Host'
- if by email, put title 'TBI tatties', so you'll be answered quickly
- say how many tatties you want, of which varieties
- she will put your order together and leave in an agreed place (probably in garden) for you to collect.
- Payment either in cash into a collection jar at the collection spot or by BACS transfer to Transition Black Isle, sort code 08-92-99, account 65499368, with your name and 'Tatties' as the reference.

***Tattie hosts will also have general seeds, available to browse and take for a donation, when you collect your seed tatties.***

*Please follow current government guidelines and try to make your collection journey(s) en route to eg essential shopping or daily exercise.*
